As a member of the Chamber, our goals should be to strengthen our organization by building on positive programs and membership. This is where we need your help! This is a perfect opportunity for you to help your community and Chamber. We are trying to strengthen our membership by comprising a listing of items that can be offered to our members. By showing your support, it could be very beneficial to both of us. You may see an increase in business--the Chamber may increase its membership-- while the end result is developing a stronger Chamber of Commerce working for your community.

If you feel that you may have an offer/discount/incentive to offer current members, please list below: _____

The Chamber of Commerce encourages our members to strive to make our community a better place to live and do business. If you have any ideas or concerns for the Chamber to take into consideration, please list below: _____
