### INSTRUCTIONS TO APPLICANT

All information requested must be completed on this application. Applicants are encouraged to visit this office and every assistance will be given in filling out this form. If possible, call (618) 932-3262 for an appointment to avoid delays. Any item requested by the application that does not apply to the proposal construction project please indicate by marking the line with "N/A".

Application is hereby made for a Building Permit as required under the Zoning Ordinance of the City of West Frankfort, and extending 1½ miles from the existing corporate limits for the erection, moving, or alteration, and all statements and any attached maps and drawings as a true description of the proposed new or altered uses and/or buildings. The applicant agrees that the permit applied for, if granted, is issued on the representations made herein and that any permit issued may be revised or revoked, without notice on any breach of representations or conditions stated.

#### THE PERMIT MAY BE DELAYED IF ANY INFORMATION IS OMITTED!

1. Address of proposed construction: \_\_\_\_\_  
Legal Description of Property: \_\_\_\_\_  
\_\_\_\_\_

(Description by metes and bounds or lot number, block number and name of subdivision.)

2. Is this property in a Flood Way or Special Flood Hazard Area (SFHA)? YES \_\_\_\_\_ NO \_\_\_\_\_
3. If answer is yes, provide a certificate showing existing grade elevations and all changes in grade resulting from excavation or filling, the location and dimensions of all buildings, and the elevation of the lowest floor (including basement) of all proposed buildings. Also, required is an engineering statement stating that this development in the SFHA shall not create a damaging or being potentially damaging in flood heights or velocity or a threat to public health or safety.
4. Any and all costs for a required certificate of elevation and an engineering statement will be paid for by the applicant.

**PLEASE NOTE:** Should there be any questions regarding the issue of whether or not the proposed project is in or is not in a recognized Flood Way or Special Flood Hazard Area it is the responsibility of the applicant to provide evidence that will support the application.

5. All applications must be signed by the applicant, which may be either the person or firm doing the construction; or the property owner. The property owner is responsible for obtaining a building permit.
6. No construction or excavation may begin until the application is approved by the City Council which meets on the second and fourth Tuesday of each month.
7. All building permits are to be posted at the building site.
8. If this development is commercial and in the enterprise zone, please provide us with your Federal Employer Identification number (FEIN) and your Unemployment Insurance number (UIN).
